## **Announcement: Date of the Conference**

### **4<sup>th</sup> Annual National Bank of Cambodia's Macroeconomic Conference**

#### **"The Role of Technology in Promoting Financial Inclusion, Allowing Affordable Services: Empirical Study in Cambodia"**

The National Bank of Cambodia (NBC) is pleased to announce its 4<sup>th</sup> Annual Macroeconomic Conference on **"The Role of Technology in Promoting Financial Inclusion, Allowing Affordable Services: Empirical Study in Cambodia"**, which will be held on **December 5, 2017 from 8 A.M. – 12 P.M. at the Sofitel Phnom Penh Phokeetra hotel, Phnom Penh, Cambodia.**

The objective of the conference is to foster national research capacity development and policy dialogue as well as to provide a forum for getting deeper insight from both public and private sectors to further enhancing sustainable growth.

The NBC encourages active participation from experts, researchers, economists from Government agencies, private sector, and academia to exchange views on selected topics. The conference will provide valuable input for the NBC, Government agencies as well as other stakeholders to formulate policies and to support the use of technology, thereafter, further promote financial inclusion, which is one among the important channels contributing sustainable and inclusive growth in Cambodia, in line with Government's National Strategic Development Plan, Rectangular Policy Phase III and Financial Sector Development Strategy.

Though, participations will be based on invitations, the NBC is pleased to open limited reserved seats for researchers, experts, and policy makers who are interested in the theme of our conference above. If you are interested in attending this conference, please submit a purpose statement to participate in this conference as well as your C.V. Please send these materials no later than **November 24, 2017**. Due to limited seats available, only shortlisted candidates will be contacted.
